SWOC Analysis

Success

1. Inspite of lack of funding and poor infrastructure the college students and faculty are motivated to perform the best.
2. Working in adversity but performing well in result and various activities.
3. Motivating economically weaker section students to participate well.
4. With limited staff college is trying to implement multidisciplinary courses.

Weakness

1. Lack of fund.
2. Lack of college own land and premises.
3. Hence no grant from UGC.
4. Without grant, implementing many activities get restricted.
5. No office staff hinders proper functioning of the college.

Opportunities

1. Development of infrastructure can motivate students to get enrolled in the college.
2. Proper building will help in managing all courses properly.
3. Funding support can help us in setup of ICT and other facilities.
4. Many courses can be added to implement NEP requirement.

Challenges

1. College own premises hinders development.
2. Utmost is funding.
3. Motivating students of EWS.
4. Managing office affairs
5. Limited faculty managing various multidisciplinary courses.
